PHOTOGRAPHIC CARD

TAKE pleasure in announcing to my old friends and customers that after an absence of two years; Loustomers that after an absence of two years, I have again returned to resume the practice of the PHOTOGRAPHIC ART in all its branches, having purchased the interest of my brother in the old established Gallery in Union street, and having spent four months in New York the past Summer to obtain fully all the late improvements in the art. I have painted, renovated and enlarged the suite of Rooms throughout. That my facilities are now better to produce first-class work than most Galleries can boast of, and conduce to the comfort of our patrons. I trust not only to sustain the proud position the Gallery has hereto-fore sustained, but to clevate it o a still higher standard. I have also engaged the services of Mr. COOK, one of the best Photographers in the world, who took the Pictures which obtained the first premium at the World's Fair in London, in 1851, and I am determined not only to make this the leading Gallery in the State, but my work shall not be surpassed North or south, and now introduce to the public the following new styles:

tyles: Imperial Phothgraph, India Ink, Vigenette, plain or colored, Ivorytypes, Pastel Portal Pictures, life size, Pastel Portal Pictures, life size,
Photographs on tanvass, life size,
Visiting Cards, full length plain,
Autograph Photographs, 18 taken at one sitting.
Storeoscope, on glass or paper,
I still continue to make the Melainotype and Ambrotype as heretowere. The above styles are all entirely new in this city, except the Autograph Card, when but one made at a sitting. Ill who are in want of anything in my line are politely invited to give my a call before visiting eisewhere, when I will prove by occular demonstration the above facts.
